

WORLDWIDE POLITICAL DECEPTION

S

An incredible second warning from the
King of Creativity, "God", ("Oh???")

END THIS TO OTHERS TODAY

*The full decoding of President Barack [Hussein] Obama
concerning the international capitalist class's agenda for
more war, a global prison state, and "New World Order"
based on decades of lies, finance frauds, and brutality.*

Humor is often the best medicine

Public Advisory 2011: Now that Egypt and other countries, with puppet state dictatorships of the global aristocracy, are being reclaimed one by one by the people of those nations – with England likely next due to the monarchy's recent and sudden tripling of the college student body's tuitions there – then sooner the American people will also wish to disband with the shackles of its corrupted and oversized, overtaxing, “malware infected” long-time abusive government and install a more modern version, a kinder public system, for and by the people. This second people's revolution of America can be a peaceful one, if, like in Egypt, a great percentage of people simultaneously agree and suddenly convince the dictatorship's hired soldiers and state police to instead oust the core of dictatorial system, for public prosecution; then avoiding mutual killing on both sides. The writings contained in these 26 pages are to *entertain* such new ideas. Enjoy this narrative and share world-wide the marvelous ideas of global freedom unshackled from the mass murdering uber-rich pyramidal shaped establishment.

The following paper contains the most amazing stories ever written or that will be published, about “*President Barack Obama*”. Albeit, the language used is perfect, explicit, and evocative in nature.

However, if you are curious to know what most people everywhere worldwide are copying to friends this year, and what most everyone is enjoying and talking about to others, over and over, then *feel free* to see the future of world events. The “future” because these anagrammatical decodings tell two clear stories concerning current events, seemingly very real, and in the form of prophecy; in amazing language style.

These two prophecies regarding “*President Barack [Hussein] Obama*” both state that he is not a true president of the people, but deceptively acts in the role of a puppet for the filthy rich establishment, led by sinister bankers world-wide, who behind the scenes have been issuing credit out of thin air.

The decoded prophecy of “*President Barack Obama*” states that he will deceive his supporters and abuse his power against the people and ultimately *apparently* vanish in a nuclear blast!

The decoded prophecy of “*President Barack Hussein Obama*” states that he will deceive and abuse the working-class people, but that he will ultimately be *publicly* exposed as a tyrant, put on trial by a vast majority of people, impeached, and sentenced. The final line reads “I am a snobbish creature, spanked!”

As you will see... only a creative mind way surpassing any single human intellect could have long arranged for these amazing encodings and masterfully embedded and weaved both of these prophecies amazingly within the English language over time. This news should now spread like email wildfire around the world.

The Heavenly Father cares to save the most creative and giving souls and Knows you best by your fruit.

ARE YOU **SWEET?**, NOT MUCH, OR
ROTTEN?

Have you cared to only help yourself, or help all others?
Are you joined with Sanity -or- with Corruption?

The flags along Constitution Avenue tell you everything you need to know – America has been sold out and our new Chinese slavemasters are now leading the sheep to slaughter. Even as Barack Obama bows and fawns to President Hu Jintao, the globalists for whom he fronts are sharpening the knives and preparing to unleash the bloodletting as the dying carcass of America is dragged into line to facilitate the global management of the planet.

Not satisfied with a hemorrhaging trade deficit with China that continues to bleed American jobs at a rate of millions, a crumbling manufacturing base being replaced by the endless import of cheap slave goods from the Communist state, and a stunted economy being rapidly outpaced by the Red Dragon, the Obama administration wanted to further drill it in to Americans who the new boss is yesterday, by placing Chinese flags throughout Washington DC before Obama's fawning meeting with unelected President Hu Jintao.

Everyone is painfully aware of the fact that China now owns the United States economically, with the Chinese central bank being the largest debt holder at approaching \$1 trillion dollars. The average American family with two children collectively owes around \$12,000 dollars to China. The Communist state's ownership of long term U.S. Treasury Securities means the United States pays upwards of \$100 million dollars a day to China in terms of interest alone.

China's huge accumulation of US dollars gives it the sway to lead the United States by the nose like a sheep to slaughter, holding in its hands the power to decide the economic destiny of the now collapsing American empire. The culmination of this process moved a step closer this week when Hu Jintao made it clear that China was preparing to sharpen the knife for the bloodletting to begin, by [deriding the dollar as a "product of the past"](#) and signaling its replacement with a new global monetary system based around the Chinese yuan.

This transition is only becoming more obvious with the [continuing fire sale of crucial infrastructure](#) to the Red Dragon. Alex Jones' first documentary film *America: Destroyed By Design*, made in 1997, warned Americans that the sell-out to the Chinese was the first step on the road to the sacking of the American economy and pulling the plug on key US infrastructure in the move towards global management of the planet.

**The figures don't lie – after a 28 year process of gradual sellout over
-seen by Bush I, Clinton, Bush II, and now Obama – China owns America.
[Now, People Around The Whole World, Be Free & Arrest Them All!]**

However, to have that notion aggressively reinforced by the plethora of Chinese flags that invaded DC this week goes beyond mere pomp and ceremony. This is meant to send a message to Americans that the United States is being hollowed out and swallowed up by the globalists, and that the center of the new world order empire will be transferred to Communist China in a bloodless coup.

And at the center of it all is a fawning, obedient, bowing Barack Obama, who ironically in the same week as Martin Luther King was remembered, played his role diligently as the house slave for his globalist masters, lavishing Jintao with a private dinner in a stunt that the Associated Press admits was designed to "soften the American public's suspicions about China," a [nation that detains and tortures individuals](#) for exercising their rights to freedom of association, freedom of religion and freedom of expression, [while abducting, beating and performing forced abortions](#) on women who refuse to submit to the country's brutal one child policy.

The sickening worship and fealty displayed towards Jintao and China this week is all about training Americans to recognize who their new slavemasters are – the globalists who have exalted the Communist state as a model country for the new world order – a world in which antiquated ideas about freedom of the individual, prosperity, self-determination, family and happiness will be abolished.

Afterword:

Seriously, any chance these two incredibly amazing pure anagram “prophetic stories” have arisen by “some incredibly bizarre set of coincidences?”; with all 240 lines a witty and perfect anagram? Any chance all these lines, all composed of exactly the same letters – precisely, all fitting perfectly together in the similar over-all theme/story of “President Barack (Hussein) Obama” being a PUPPET bringing in an emerging banking dictatorship for the long running existing criminal establishment parasites and royalty is at least → **1 in millions of Trillions.**

In other words, the following is absolutely not an amazing set of coincidences!!!! It is **PROOF** that The World's Creator is REAL, and He is now unleashing mercy... but with only one condition; and that is... if the world cares to recognize that fact.

If you take the time, carefully, slowly, you will see that each witty and funny line, in the 240+ decoded here, is in fact a perfect anagram of the same letters exactly. It is absolutely impossible for all of them together to appear out a random coincidence. Each line is about Barack Obama, and they all fit together to tell the whole, and truthful, tale of his Presidency... and what will ultimately happen to him.

There are only 2 scripts, and only one of them will be played out. B.O will either be taken out in a nuclear blast, or he will be put on trial: impeached and sentenced. Judge this for yourself, as you will also, at some time, be judged by heaven around us, for the amount of care you have for all others and for how observant and smart, in that way, you really cared to be. Did you care to help yourself or help others?

Wake up more... It is clear to see that Heaven is indeed **real**.

Perhaps the promised “change” (not!) Obama has continued to push on all of us are giving you more and more personal stress daily. Re-reading this whenever you feel more stress from the tyranny may provide you with endless laughter, amazement and wonder, and perhaps give all of us some **real “hope”** for the future. Each of us admitting that we have been fooled by all Obama's campaign lies and broken promises are the first steps to world-wide recovery. Obama has been deceptively working for the interests of the criminal establishment (period), as a puppet figure. And for us to be able to defeat the global establishment – make sure to not delay giving this valuable, quite heavenly, and entertaining knowledge to all your friends, family, colleagues right away. The future of the free world depends on you sharing this news with your group of friends. World Public Opinion equals power & = everything!

New popular ideas can make a better world for us all; not the same media corporations, new liars and cover-up artists. Scan, print, email, mass duplicate, resell copies of this, as it is everyone's right world-wide to free speech! **Barack Obama is a sly criminal mind who is fully aware that the intelligence agencies he is technically over are behind most, if not all, the terror bombings around the world; in order to bolster the war of terror itself and turning the world into a prison.** Most large governments today, from the top down, form a globally interconnect crime family; they are all competing for power in their quest for a “**New World Order**” and have been using state-terrorism and cover-ups as a tool of control. 9-11-2001 was an inside job. Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision. *Public opinion means everything.*)

Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", "illuminati" or "new world order", interests. *Therefore* the "United States Government" has severely turned away from serving its sacred cause of freedom!

Therefore the "United States Government" has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous "United States Government" or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our Creation-given rights; **including dissent.**

Addendum: Initial action list for the people's convention (recommended date: **July 5th, 2011**; location: **St. Louis, MO**)

* Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*

* Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: *pay off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*

* Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*

* Close and refurbish Washington DC, converting the former capitol into a city -wide orphanage and school campus for the nation's *underprivileged children; dedicated in honor of patriots who lived bravely before us without shame.*

* Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. (All inmates individually reviewed for possible release.)*

* No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.

* An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.

* Project Fresh Start – **Organic Home Gardening Incentive Program**, using a portion of elite reclaimed wealth, to finally solve world hunger. We should each also be motivated to erect personal greenhouses and maintain private gardens year-round. ~~~

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

If the world knew how to use freedom without abusing it, tyranny would not exist. - Tehyi Hsieh

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

Yes, we did produce a near perfect Republic. But will they keep it, or will they, in the enjoyment of plenty, lose the memory of freedom? Material abundance without character is the surest way to destruction. - **Thomas Jefferson** ~~~ To me the sole hope of human salvation lies in teaching. - **George Bernard Shaw** ~~~ The empires of the future are the empires of the mind. - **Winston Churchill** ~ "I have unwittingly destroyed my country." - **Woodrow Wilson** {After signing the Federal Reserve Act in 1913} ~~~ The basic idea behind teaching is to teach people what they need to know. - **Carl Rogers** ~~~ Awaken people's curiosity. It is enough to open minds, do not overload them. Put there just a spark. - **Anatole France** ~~~ Education...beyond all other devices of human origin, is a great equalizer of conditions of men -- the balance wheel of the social machinery... It does better than to disarm the poor of their hostility toward the rich; it prevents being poor. - **Horace Mann** ~~~ There is no education like adversity. - **Benjamin Disraeli** ~~~ It is the supreme art of the teacher to awaken joy [life, liberty, happiness...] in creative expression and knowledge. - **Albert Einstein** ~~~ We think of the effective teachers we have had over the years with a sense of recognition, but those who have touched our humanity we remember with a deep sense of gratitude. - **Anonymous student**

\$\$\$ We need to replace the self-destructive US dollar, now propped up as the world's reserve base currency. The current elite class have ideas for that already: the Amero, The Globo, the SDR, and the Bancor. However, we need to incarcerate the elite and reclaim the wealth they have stolen from the world through their big currency schemes of the past. A new world reserve currency would need a new name & new publicly transparent oversight and frequent audits by the people of the world. Elected boards should be established, and no board member should at any time profit excessively from their elected duty. Here is an idea for a name of a new global currency, the Dillar. For two reasons, the next currency will have a digital overlay to guard against counterfeiting, yet retaining privacy of use, so a digital dollar could be shortened to the Dillar. Also, since, We, the people of the world, are currently in a pickle, and the Dill is a name of a pickle, for humor's sake, the "Dillar" to replace the "Dollar" works too and would be the easiest transition. A fresh start for example would be this simple rule: everyone who had turned 18 years old, or does on their birthday, will receive D100,000 Dillars to start their new life and career. That would have the effect of distributing the wealth of the world evenly and fairly. They could choose to invest it in themselves via education, or into stocks in a new market, or into their own business, or assets such as their own house, etc. \$\$\$

Declaration of *We The People*
for the Establishment of :::
The Independent States of America
(I.S.A.)

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark the real change.

Right now, we are United as 1939 Eastern Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the "unsinkable" Titanic, crashing into icebergs (other cultures) and taking on more and more water (debt). Our country has been sinking; slowly and dramatically. The elite class, who work collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Isn't there a more peaceful way to be?

Yet the seemingly forgotten 10th amendment to the Constitution grants each of our 50 states *independence* from central control. But the out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride put into our water. Are we each free & independent? Have we now just become penned-up slaves? Are we meek or are we brave? Are we just the home of the slaves?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore sanity, peace, balance, prosperity, & all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, **we wish to establish a new government** by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea and printout, back and forth, everywhere, for the Establishment of the "Independent States of America" or I.S.A. **You can be the "T" in I.S.A.**; a slight change of wording, but a big, real and tangible difference. We can establish a benevolent system; perhaps one that provides property to new citizens, when they turn 18.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

USA can easily be made into ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State Defenses. A beneficial system; perhaps one that provides a home for every new family.

"T" agree to the establishment of the Independent States of America, in order to fully replace the corporate controlled, horribly corrupted, war mongering centralized power of Washington DC; we declare 50 states.

Just get two others to sign before framing your statement and pass around many copies; it is the duty of every free and independent person to promote freedom. If this quickly becomes a fad; We will convene for real positive change. There is no website behind this; nor any particular people. It is free to say "Yes!".

This people's petition is perfect for email attachment.

One simple idea that could jumpstart the end of tyranny forever...

America, please wake up, although it doesn't seem like it on the surface to most of us right now, Our basic human freedoms in 2010 including the basic right of Personal Privacy, such as our personal records now being collected together, & Free Speech are under assault by a long developing criminal system that is currently out-of-control by most of us. Who are *We*? At one time in America, when one spoke of the government, they thought of their city or country government first, or perhaps their state government. Now when people talk about “the government”, they are usually referring to the federal, “the feds”, or national government. A big problem is that our national government has had its own paper money machine, The Fed, or “Federal Reserve”, making it all powerful over 50 states, since 1913. We, our society, our progeny, became instant debt-slaves since.

Now the federal government thinks it owns your children's minds (The Federal Board of Education). They think “they” own your income (The IRS). And “Homeland Security” thugs really means “Homeland Insecurity” gestapo: as they cast fear on the population, spy on all of us, & prosecute those they wish to frame as *terrorists*.

The Federal Government has just passed new laws giving the executive office the ability to disable or suspend the entire internet at any time dictator Obama, (Bush III), gives an order. So nothing has “*changed*”. We have been sold on taking measures for our “safety” while the shackles are being put more on all of us. The existing old corrupt establishment government is constantly increasing warfare against people on our planet. And a murderous government called Zionists who control Israel are planning on using nuclear weapons against the many millions of innocent people of Iran. When are we going to end the establishment's agenda for more wars?

Obama's approval rating is setting new low records at 41% as of June 2010. The public's approval rating of Congress is even less, near 10%. And we are finding out Obama's real name has long been Barry Soetoro and that he was really born in Kenya and is by record still a legal Indonesian Citizen. (See obamacrimes.com for more information for research on the true history of this Fortune 100 puppeted person, this establishment bred imposter, who many hail as “Obama”.) He permits the ongoing genocide in Palestine. He watched the gulf oil leak over 80 + days, to attempt to further tax us on carbon. He lied about taming the federal budget. This one imposter has lied while campaigning about dissolving the occupations and horrible warfare being continued in Iraq and Afghanistan. He lied about “No new taxes.” He's blatantly lied to us on over a dozen major counts.

Most simply, we have lost our minds to constant entertainment and the corporate media; *our forgotten culture of citizen conscience in America*. This corrupted system of government has obviously become the **#1** power in America and so We The People have become **#2**. We need to start speaking regularly to our neighbors again about wars, and we need to host and meet at conventions at the local, state, and again national levels about real issues; not the untrustworthy national political theater, not daily sports, tv, hollywood, singing competitions, or even sentimental issues *just for the time being*. This long corrupt current government doesn't prevent *but rather* feeds off new crises. The Feds were empowered by 911 and every other establishment-contrived inside-job crisis since – and every new problem the feds plainly setup or prolong.

We need to heed the warnings of those such as Thomas Jefferson, Andrew Jackson, and John F. Kennedy, and many others. They publicly gave us advice about defending our liberties from those who control “the planet's corporation” from behind the scenes: namely secretive big global bankers such as the House of Rothschild, corporate tycoons and CEOs, the military industrial complex top brass, and other “elites”; who are collectively wishing for and conspiring to create a planetary government modeled as a planetary prison; in an attempt to seize the people of the world through mass murder, and now fully enabled under their fully established power. Instead we need to turn away from each other and seize them! Are **We The People** going to accept their open tyranny? Or will we re-awaken and re-invigorate our public conscience by re-starting vital communication with all our neighbors; to at least get on the same page about *one simple idea* that we can subsequently unify more around? Let's change the name of our country by one word; an obvious new beginning. It starts with words.

The idea can simply start with the majority of us agreeing to simply rename the United **States of America** into the **Independent States of America**, so the USA has now become the ISA; a visible difference. The next step would be for the individual independent & freshly reconstituted states to establish their own Bill of Rights and *equally important independent state currencies* and also one most important national law that will end the national government's ability to borrow fiat or printed money from the world's criminal private central banks.

So email this and utilize your home printer to deliver this notice to our fellow citizens. Attach this to an email and forward it to all your contacts without any discrimination. We need reminder that Independence Day is not just beer and fireworks. The day is set aside to think of the principles of freedom, to start communicating at a time of recognition of the loss of liberty, and that time is now, by the time the fireworks ignite on July 4th.

Writer's note:

I was most fortunate in only one way in my life so far. I had the pleasure of meeting a very very very old man who physically appeared about 70 years old, who I realized days later must of only been our world's "God". During the 20 minute meeting, where this handsome elderly looking man, with bluish-purple light at a certain point emanating from his mouth, who knew everything about my life without having to say anything to him about me during the conversation in March of 2005 – wished to discuss the current quite evil establishment agenda, that is still controlling all of us in July 2010, with me. At one point during the discussion He further stunned me by asking me:

“And who do you think should be saved?”

I was in a state of shock and was unable to provide Him an answer at that time. I just stood silent in deep shock until he decided to change the topic again. For years since that conversation I have been wondering what is the most perfect answer to that question. It seems the Illuminati / banking / Zionist agenda has been justified to exist by heaven above to help "God", The Father of Creation, sort out *who should be saved*. However, I still do view the whole concept (Revelations prophecy) as a nightmarish, unfair, and unjust idea. So I am writing this as a way to communicate the following belated answer back to Him; of which I wish I could have provided Him right after being asked that most profound question imaginable.

In response to the Eternal King's question to me: **“And who do you think should be saved?”**

After years of pondering this question, the best answer I have to date is:

“I think who should be “a save” are all those, throughout the world's history, who have been kind, like those who have believed the story of Jesus's life is a most beautiful story, like those who have believed Jesus was real and still is – those who also have wished to live an eternal consciousness/life + all others that The Father chooses to save for His own reasons, (even Hitler, if He chooses, for example); but principally those who have respect for life in general. In other words, those who have loving hearts and those who loved Jesus's message + any others The Father wishes to save; any number of people/souls who are interesting enough to The Father to save - from souls of infants who died young to old-timers. My opinion is that those who mostly only care about themselves, sports, entertainment, etc. and do not believe an eternal existence is possible - those who deny Jesus's message; those that care about themselves much more than caring about others, most likely should be overlooked for Creation's grace for an eternal consciousness/life – so possibly 'no', or “lights-out”, to those who who deny responsibility to care for others, or didn't have much have faith, hope, or much unselfish care or love.

In short, please Our Father, The Great King, **judge others not for being human, but for being inhuman, or inhumane... and for animal cruelty, inanimalmane.**

Article by Paul Joseph Watson, [Infowars.com](http://infowars.com), January 28, 2011

Zbigniew Brzezinski's much feared "global political awakening" is in full swing. Revolts in Egypt, Yemen, Tunisia and other countries represent a truly monumental worldwide rallying cry for freedom that threatens to immeasurably damage the agenda for one world government, but only if the successful revolutionaries can prevent themselves from being co-opted by a paranoid and desperate global elite.

During a Council on Foreign Relations speech in Montreal last year, co-founder with David Rockefeller of the Trilateral Commission and regular Bilderberg attendee Zbigniew Brzezinski warned of a "**global political awakening**," mainly comprising of younger people in developing states, that threatened to topple the existing international order.

Reading the full extent of Brzezinski's words in light of the global revolts that we now see spreading like wildfire across the planet provides an astounding insight into how crucially important the outcome of this phase of modern history will be to the future geopolitical course of the world, and in turn the survival and growth of human freedom in general.

"For the first time in human history almost all of humanity is politically activated, politically conscious and politically interactive... The resulting global political activism is generating a surge in the quest for personal dignity, cultural respect and economic opportunity in a world painfully scarred by memories of centuries-long alien colonial or imperial domination... The worldwide yearning for human dignity is the central challenge inherent in the phenomenon of global political awakening... That awakening is socially massive and politically radicalizing... The nearly universal access to radio, television and increasingly the Internet is creating a community of shared perceptions and envy that can be galvanized and channeled by demagogic political or religious passions. These energies transcend sovereign borders and pose a challenge both to existing states as well as to the existing global hierarchy, on top of which America still perches...

The youth of the Third World are particularly restless and resentful. The demographic revolution they embody is thus a political time-bomb, as well... Their potential revolutionary spearhead is likely to emerge from among the scores of millions of students concentrated in the often intellectually dubious "tertiary level" educational institutions of developing countries. Depending on the definition of the tertiary educational level, there are currently worldwide between 80 and 130 million "college" students. Typically originating from the socially insecure lower middle class and inflamed by a sense of social outrage, these millions of students are revolutionaries-in-waiting, already semi-mobilized in large congregations, connected by the Internet and pre-positioned for a replay on a larger scale of what transpired years earlier in Mexico City or in Tiananmen Square. Their physical energy and emotional frustration is just waiting to be triggered by a cause, or a faith, or a hatred...

[The] major world powers, new and old, also face a novel reality: while the lethality of their military might is greater than ever, their capacity to impose control over the politically awakened masses of the world is at a historic low. To put it bluntly: in earlier times, it was easier to control one million people than to physically kill one million people; **today, it is infinitely easier to kill one million people than to control one million people.** "

- Zbigniew Brzezinski (Public Liar, Globalist, and mega-a-hole)

It is important to stress that Brzezinski was not lauding the onset of this "global political awakening," he was decrying it. As one of the of the chief architects of the "existing global hierarchy" to which he makes reference, Brzezinski himself is under direct threat, as is the continuing ability of the global elite in general to control world affairs.

Brzezinski laments the fact that the Internet has made it almost impossible for the global elite to control the political environment, to control the thoughts and behavior of one million people, which is precisely why [Egypt moved to shut down the world wide web](#) yesterday in a desperate bid to prevent activists from organizing against the state.

{ We must understand that Egypt's revolution was caused by the establishment system, by design, in order to further destabilize the region. Yes, the Egyptian people think they have been taking control by the revolt, but when they are exhausted they will be given another form or dictatorship. They will not be given the freedom they demand, only a ruse. }

Obama-nation: “**National Socialism**” (1939-1945 Germany); power in fewer hands has already before drastically TWICE PROVEN TO BE A TERRIBLE IDEA.

The prophetic "OBAMAGRAM" decoding is CLEAR AND MOST HIGHLY obvious.

Obama Can't Save You unless You prevent Obama from casting more deceptions; which started with his fake/forged Hawaiian birth certificate (see: obamacrimes.com). Otherwise, perhaps, the future is already foretold.

The first decoding literally states Obama ("Oh....bomb-us??") will at least appear to be taken out in a bomb blast.

The beast system is not loyal to anyone, only the beast system itself, even Obama.

"They", the global criminal aristocracy, will apparently have Obama ass-asinated.

If Obama is not seen live at ground zero just prior to the the detonation (Washington DC?) his pseudo-demise could only be yet another ruse. [*A large deep tunnel system exists under DC. The white house has a hidden entrance to an underground tunnel network and secret facility.*]

Why a nuke? The incredible decoding states: "**A bomb eradicates prank!**"

(Letters of "**President Barack Obama**") and "**Ape bomb! Stark radiance!**"

"**Stark Radiance**" seems to imply nuclear. It appears one of the two decoded *Obamagram* scripts will be played out.

To help prevent future horror: hot photatocopy this, email, print booklets, even sell for a profit.

ABOUT THE *fascist* “**NEW WORLD ORDER**” BEAST SYSTEM; PUBLIC OPINION MEANS EVERYTHING.

Things are now getting worse – even more than under the former puppet scrub Bush Jr.! Total Darkness!

Action! : The major media **celebrity liars WORLDWIDE need to be **arrested & incarcerated** until the trial, then quickly after them, the **world's criminal elite class for trial**. And **ASAP!****

The global elites have to be contained by the good forces within the various world militaries; **a mutiny!** Those helpful in their round-ups will receive full pensions funded from the gold, silver, real estate, etc. reclaimed for the people from the **Rothschild's** and other elites. The “6660” or so elites should be contained in a “floating capstone” prison island, where they can dominate themselves and we can watch via a new reality tv show, like “Lost”, but more fun & real.

So QUIT ACCEPTING THE CORRUPT SYSTEM'S EUGENICS/MERCURY TAINTED VACCINATIONS, TOXIC FLUORIDE, NAKED BODY SCANNING, MASS MEDIA LIES, WARS, AND OTHER SOCIALIZED CONDITIONING! AWAKEN TODAY!

Discuss together and prevent the elite's ongoing bio-attack strategies! Do it for you and others!
